OPERATING INSTRUCTIONS

Before Use:

- Ensure the switch is in the “O” position, indicating the unit is turned off.
- Check the heating element for any foreign particles, such as dirt, water, or food.

During Use:

- Place the cookware on the heating element.
- Turn the switch clockwise to select the desired heat level.

After Use:

- Turn the switch back to the “O” position to turn the unit off.
- Allow the unit to cool completely, as it will remain hot for some time after use.
- Cleaning:
- Once cooled, clean the surface with a damp cloth.

Cautions

KEEP AWAY FROM BABIES AND CHILDREN.
PULL UP THE POWER PLUG WHEN THE PRODUCT NOT USE.
